Position: Public Space Services Team Member

Reports to: Clean and Safe Program Manager

Salary Range: \$15-18.00/hr.

What Does A Day In The Life Of A Team Member Look Like?

Under the guidance of the Clean and Safe Program Manager, Public Space Team Members will keep the River District public areas such as streets, sidewalks, bike lanes and parks free of stains, litter, graffiti, and bad odors. You might cut the grass and weed the gardens in a public area or work on private property where a contract is in place. You may also act as a resource for persons experiencing homelessness encouraging them to seek services and shelter. You will take direction from your supervisor and also make suggestions that make the River District cleaner and safer. You will use the equipment, perhaps a lawnmower, edger, or a pressure washer, safely and effectively. You help your teammates and take pride in making the River District a better place for people to live and business to thrive. You always take pride in the job you are doing and go home each night knowing you made a difference!

What We Expect From You

- We expect that you will show up for your shifts on time and ready to work.
- Working with your teammates, you will cover the entire 1.25 square mile area that is the River District ensuring the area is clean and tidy.
- This work is largely completed outside and on foot and you will get dirty. If you are a germaphobe this likely is not the job for you.
- You must be able to walk, on foot, for an 8-to-10-hour shift exposed to all weather conditions including heat, cold, rain, and sunshine.
- The ground underfoot may be uneven, dirt, grass, concrete, asphalt, or gravel and you must be able to navigate it all.
- You may interact with unsheltered neighbors living outdoors, business owners, property owners, law enforcement, private security and lots of other people. We expect you to be respectful and kind to all of them.
- You will perform a safety and maintenance check on and be accountable for any piece of equipment we provide to you to complete your tasks.
- You will maintain a clean and neat uniform and dress appropriately for the current daily weather conditions.
- You will attend any trainings and / or meetings required by your leadership.
- We will hold you accountable and expect you to have a solid work ethic.
- You will either know how or be willing to learn how to safely operate all equipment used by the team.
- You will accurately track statistics as directed by your team leader. This is important so the River District has accurate data which allows us to continue our programs.
- Some of the stuff we do is heavy lifting so you must be able to lift at least 50 lbs.
