Executive Director's Message

Thank you for taking an interest in our quarterly market reports for the River District. Our emerging neighborhood is rapidly transforming, and we aim to capture the data that illustrates this progress moving forward, so that we can best prepare for what the future holds.

It has been a year now since I took over as executive director of the River District, and I am very proud of the accomplishments that our board, staff and stakeholders have made in these past twelve months.

As we inch closer to welcoming our first market-rate tenants at projects like Track 281 Apartments and Mirasol Village, we celebrate the businesses that continue - or are just beginning - to thrive here.

On June 3rd, we hosted the 4th edition of Rio Velo, a Sacramento Bicycle Festival. While it ended up being a surprisingly sweltering day, we showed what a true community-based festival can be. With nonprofits like SABA, Civic Thread, and Light + Water providing bicycle safety and fitness activities, people got out of their cars and onto their feet or bikes. Delicious, locally produced food was prepared by entrepreneurs from the Alchemists Microenterprise Academy. And of course, our very own Touchstone Brewing Co. was there to offer their tasty beverages, brewed right here in the River District. Thank you to all who sponsored, supported, or attended our first public event post-Covid!

Now is a time for big ideas to start taking root for the next wave of development in the River District. With catalytic projects like the Richards Boulevard Office Complex, Township 9, and the Grower's District, the foundation has been laid for a dynamic and diverse urban community. What comes next is up to you, but a few things we are advocating for include EV charging stations, riverfront activations, more public art, neighborhood serving retail and restaurants, and green spaces. What do you want to see?

Devin Strecker, LPM

***Our Vision:** A vibrant, mixed-use urban community with an eclectic mix of residential and commercial land uses topped off with riverfront views and a variety of parks, plazas and open space.*

Residential Market

The River District is transforming from a primarily industrial and commercial distribution center to a vibrant, mixed-use neighborhood. The most visible aspect of this change is the growing residential market.

Township 9 - Lot 1 is arguably one of the scarcest and most desirable urban development opportunities, and is the largest fully entitled development project on the market for sale. The property is fully entitled for 190 units, with up to 500 units possible via density or unit transfer

100 Township 9

Part of Township 9 Phase C, a 120,000 SF biotech office building is slated for the west half of the south end of the project. On the east portion, on the corner of Richards Blvd. and N. 7th St., will be an approximately 200 key hotel. Directly across the street from both is the new Richards Blvd Office Complex.

Tourism & Hospitality

Situated ten miles away from Sacramento International Airport and just blocks from Old Sacramento, Capitol Mall, DOCO and Golden 1 Center, The River District's central location is the ideal hub for those visiting the region.

The Blue Diamond Almonds Nut & Gift Store, located at 1701 C Street, is a one-stop-shop for unique gifts and simple wholesale shopping.

Sacramento Air Travel

Sacramento International Airport (SMF) was named the top midsize airport in the nation according to the Wall Street Journal's 2022 Airport Rankings. SMF ranked highest among all 50 airports surveyed in the reliability category and also ranked high in arrival and departure times, low flight cancellations, quick taxi and security clearance times, and a max walking distance of only 1,213 feet. Leading into the busy summer travel season, Q2 2023 saw an increase of over 18% of total enplaned and deplaned passengers at SMF over Q1 2023, and an increase of 3.62% over the same quarter last year.

In celebration of the 50th anniversary of Pink Floyd's classic album "Dark Side of the Moon," the official planetarium show has arrived in Sacramento! Due to extraordinary demand, all shows at the SMUD Museum of Science and Curiosity's UC Davis Multiverse Theater are sold out through November, but additional dates will be added soon. Sign up online at visitosac.org/pink-floyd to be alerted when tickets are available. With the help of modern technology, the idea of a show combining breath-taking views of the solar system and beyond, played out to 42 minutes of The Dark Side Of The Moon in surround sound, has been embraced by the band. NSC Creative have led the visual production efforts, working closely with Pink Floyd's long time creative collaborator Aubrey Powell from Hipgnosis.

Hanami Line Groundbreaking

On Thursday, June 29, the Sacramento Tree Foundation hosted the official groundbreaking ceremony for its **Hanami Line** Capital Campaign, which will transform Matsui Waterfront Park in the River District into an iconic cherry blossom park along the Sacramento River.

Entertainment was provided in the form of taiko drummers Kaori Kubota-Sakauye and Rieko Kotoku. Speakers included Congresswoman Doris Matsui; Mayor Darrell Steinberg; Dr. Jessica Sanders, Sacramento Tree Foundation executive director; and Consul General of Japan in San Francisco Noguchi Yasushi.

This unique civic gathering place will provide a welcoming space to visit, relax and play while celebrating the rich cultural contributions Japanese Americans have made to our region.

Donors, including Caltrans, the City of Sacramento and UC Davis Health, raised over \$7.3 million, above the project's goal of \$6.95 million. The park is expected to open at the beginning of 2024, and the cherry blossoms should be on full display each spring.

Clockwise from top left: Noguchi Yasushi, Consul General of Japan in San Francisco speaks at the groundbreaking. Cristina Navarro, Maurice Scott and Devin Strecker with the River District attend the groundbreaking. Elected officials and special guests break ground for Hanami Line.

Sacramento Republic FC Stadium at The Railyards

After a period of uncertainty following the loss of its major investor, the Sacramento Republic FC has now revealed that it is talks with a potential new investor to assist with its bid to join Major League Soccer. A new stadium for the team has long been part of the plans for the Railyards, but the latest news has brought renewed excitement about the project.

The Stronach Group, based in Toronto, Canada, has been discussing a partnership for the past year. "I am grateful to Belinda Stronach, Kevin Gilmore, and the Stronach Group for their strong interest to bring MLS to our great city," Sacramento Mayor Darrell Steinberg said in a statement. "Also, I am deeply appreciative to Kevin Nagle, Todd Dunivant, and the Republic FC for their continued leadership."

The Return of Rio Velo

The Rio Velo Bicycle Festival is back at Mirasol Village! This is Rio Velo's first time back since the Pandemic, and it's better than ever thanks to this great new venue! My thanks to the River District and all of our other great partners for making it happen.

@CMKVValenzuela

- Councilmember Katie Valenzuela

On June 3, the River District hosted Rio Velo for the first time since 2019. The event was a culmination of months of planning and collaboration with local partners and community residents. Featuring healthy living exhibits and activities, Rio Velo celebrated cycling and the Sacramento and American Rivers.

Event highlights included a performance by the Grant Union High School Drumline; BMX bike stunts, Atrium 916's art cafe, Giggle & Riot's photobooth, bike rodeo by SABA and Civic Thread, and the Effie Yeaw Nature Center animal ambassadors.

Food vendors included participants of the Alchemist Microenterprise Academy: Real Mojo Foods, Southern Hospitality Eats, Steady Smokin' BBQ, as well as local vendor Popcorn Baby. The beer garden was provided by Touchstone Brewing Co.

Rio Velo was sponsored by County Supervisor Phil Serna; Councilmember Katie Valenzuela; Sutter Health, Sacramento Regional Transit, California Climate Investments, The American River Parkway Foundation, California Department of Conservation, Downtown Ford, California Strategic Growth Council, Sacramento County Regional Parks, SHRA, and Save the American River Association.

The event was made possible with support from partners including SABA, Civic Thread, Alchemist Community Development Corporation, Atrium 916, Touchstone Brewing, Sacramento Tree Foundation, Urban Strategies, and the City of Sacramento.

The River District Public Spaces Team is a groundbreaking initiative that seeks to empower individuals who have faced homelessness or drug addiction by allowing them to reintegrate into society and rebuild their lives. This two-year program, run in partnership between the City of Sacramento and the River District Property Business Improvement District, equips participants with valuable workplace skills as they engage in various tasks to clean and maintain public spaces within the district.

Under the guidance of the Public Spaces Manager, team members are given personalized support to help them achieve their individual goals. Their responsibilities include cleaning streets, pressure washing public areas, removing graffiti, and carrying out general maintenance and yard work throughout the district. The team's collaboration with law enforcement, government agencies, and social services enables them to effectively address issues related to homeless encampments. As all team members have experienced homelessness, they possess a unique ability to empathize and work with those facing similar challenges.

The success of the River District Public Spaces Team has generated interest from other Property Business Improvement Districts, which are exploring ways to implement similar programs in their districts. This program's achievements are impossible without support from the City of Sacramento and the board of directors of the River District PBID.

About the River District

The River District is a private, nonprofit business association charged with managing and promoting programs to strengthen the economic and cultural well-being of the area.

The 830-acre Property and Business Improvement District (PBID) was established in 1999 by a broad-based coalition of public and private property owners. Managed by The River District, the PBID is a special benefit assessment that supports enhanced services.

The PBID was approved for a ten-year term in 2014. The 2015-2024 Management District Plan outlines three categories of services to be provided by the PBID: public safety and maintenance; economic development; and planning, advocacy and physical improvements. The services and programs provided by the PBID are above and beyond those provided by the City and County of Sacramento.

Location: Approximately 830 acres bounded roughly by the American River to the north; Sacramento River to the west; Union Pacific rail berm and C/D streets to the south; and 27th Street to the east.

Activities: *Community Service Initiatives* provide daily private security patrol, weekday trash abatement and on-call graffiti removal. *Economic Development* activities convey a positive image for the area assisting to attract new jobs, businesses and investment resulting in an improved marketability and regional profile for the District. *Transportation/Public Projects/Infrastructure Advocacy and Planning* to advance the design and implementation of new roadway, transit, utility and streetscape projects.

Administration of District programs and activities is provided by The River District professional staff and Board of Directors.
